VoiceOver

Turning VoiceOver On or Off

Settings > General > Accessibility > VoiceOver.

VoiceOver speaks items on the screen:

- tap once to select an item;
- double tap to activate the selected item;
- swipe three fingers to scroll.

Triple click home button to switch VoiceOver on or off.

Settings > General > Accessibility > Accessibility shortcut > select VoiceOver.

Choose a voice for Speak Screen and Speak Selection

1. Go to Settings > General > Accessibility > Speech.
2. Enable Speak Selection and Speak Screen, or both.
3. Select Voices.
4. Choose the one voice

Changing Speech Speed

1. Go to Settings > General > Accessibility > Speech.
2. **Click in speaking rate slider and it will state a percentage relating to speed.**
3. **Double tap and keep finger within box and move up or down to increase or decrease.**
4. **It is a bit difficult and you may have to select and active by tapping once then twice. It will read at the speed you change it to.**
