

**Selby District Vision and Optelec** invite you to an Exhibition/Open Day for anyone blind or sight impaired.

**Tuesday, 12<sup>th</sup> September, 2017 – 10.00 am to 2.00 pm**  
Selby District Vision, Unit 12, Prospect Centre,  
Prospect Way, Selby YO8 8BD.

Representatives from a number of exhibitors will be on hand, including Optelec – makers of two NEW Optelec reading solutions, offering both **Magnification** and **Speech**:

Try the **NEW** pocket-sized **Compact 6 HD**, a unique 6-inch touchscreen magnifier that reads aloud any printed documents in **AUDIO**, anytime and anywhere.

The **NEW ONYX<sup>®</sup> OCR**, featuring a 24-inch touchscreen, is a Transportable Desktop Magnifier with **AUDIO** Playback. With this

4-in-1 solution, you can magnify and read from newspapers and magazines on your desk, view images at a distance, view yourself, and even listen to documents as they are read aloud.

**Selby District Vision** is a local charity committed to helping people experiencing sight loss, within the Selby District. First established in the early 1960's, then registered officially as a charity in the early 1980's, Selby District Vision has been assisting local people for over 50 years.

There are an estimated 2,000 people living with sight loss in the Selby District today. We are dedicated to reaching those individuals, assisting and supporting them however we can.

We aim to meet the needs of visually impaired people by providing information, resources, social and recreation opportunities; promoting independence. Striving to involve the wider community in our work, we provide the public with visual awareness opportunities and have regular community fundraising events.

Receiving no state funding, we rely entirely on fundraising, legacies and donations to continue our work. Volunteers are the lifeblood of our organisation.

We are members of Selby Advice, if you would like to find out more about our network, please follow [www.selbyadvice.org.uk](http://www.selbyadvice.org.uk) or follow us on facebook or look at our website [www.selbydistrictvision.co.uk](http://www.selbydistrictvision.co.uk)
